By CHAPMANS & SPANN.

The State Sentinel will contain a much larger amount of reading matter, on all subjects of general interest, than any other newspaper in Indiana.

THE SEMI-WEEKLY EDITION Is published every Wednesday and Saturday, and during the session of the Legislature, three times a week, on Tuesdays, Thursdays, and Saturdays, at Four Dolars a year, payable always in advance.

THE WEEKLY EDITION Is published every Thursday, at Two Dollars a year,

always to be paid in advance. \$1 in advance will pay for six months.

\$5 will pay for three copies one year. * * Persons remitting \$10 in advance, free of postage, shall have three copies of the Semi-Weekly one year. \$2 will pay for six months. \$1 will always be charged for the Tri-Weekly, and 50 cents for the Weekly, during the Legislative sessions.

ADVERTISEMENTS will be inserted three times at one dollar a square of 8 lines, and be continued at the rate of 25 cents a square for each additional insertion. Quarterly advertisements, per square, §3. All advertisements from abroad must be accompanied by the cash; or no attention will be paid to them. Postage must be paid.

MISCELLANEOUS.

ELLISTON .- In the Olympic days of Elliston, there was one evening a tremendous tumult at his theatre, in consequence of the absence of a favorite performer. One man in the pit was especially vociferous in his cry for "Carl! Carl! Carl!" Others called for the manager, who duly made his appearance, and, black as the weather looked, he was the very sort of a pilot to weather the storm. With one of his princely bows, he proceeded ful sensations, conceived the idea of bath to address the house:

"Ladies and gentlemen-by your leave, I of her garden filled with it. The rays of I sun acting upon this water, the essence wl will address myself to a single individual. will ask that gentleman spointing to the it contained concentrated itself in little p yociferous personage] what right he has to ticles of oil which floated on the surface the basin. At first it was thought that demand the appearance of Mr. Carl?" "Cos," said the other, "he is down in the matter was produced by fermentation, that it was a sign of corruption or fetid

Such an undeniable answer would have but as they tried to gather it in order to cl staggered any other manager than Elliston, but he was not easily disconcerted. "Be- delicious smell. This it was that gave cause he is down on the bill!" he echoed in idea of extracting in future the essence of ro a tone of loftiest indignation. "Ladies by a process corresponding with that wh and gentlemen, the Mr. Carl, so unreasona- nature had employed." bly, so vociferously, and so unfeelingly called for, is at this very moment laboring under been a subject of observation with us. severe illness—he is in bed. And, let me ask, know many a man who would go hungry is a man, a fellow creature, a human being, ther than eat from a table where the dis to be torn from his couch, from his home, on a cold night, from the affectionate attention be happy in a badly built or irregula of his wife and family, at the risk of his valua-ble life, perhaps, to go through a fatiguing shaped room, nor sit by, or even sleep near part, because he happens to be down in the piece of furniture that did not stand squa bill? (Cries of shame! shame! from all parts But we have known a fellow who left his of the house.) And yet, ladies and gentlemen, tive country, for no other reason, we are there stands a gentleman—if I may call him inclined to believe, than because of so-that, for his own selfish gratification-the amusement of a few short hours, would risk the very existence of a deserving member of we infer from the fact, he complained of society, a good husband, father, friend, and one of your favorite actors, and all, forsooth, which he left in a hurry at the age of 22, by because he is down in the bill!" (Universal cutting his own throat was that it was not hooting, with cries of "turn him out.") "By cutting his own throat, was, that it was not a all means," acquiesced the manager, with one of his best bows-and the indignant pitites actually hooted and kicked their own truth that man must have occupation or b companion of the theatre, as something more miserable. Toil is the price of sleep an than a butcher, and less than a Christian .- appetite-of health and enjoyment. Th Hood's Reminiscences.

sloth, is a blessing. We are happier wit BACHELOR .-- One who is fearful of marrying lest his wife should become his dustry, than we could have been with sponts mistress, that he not unfrequently finishes his career by converting his mistress into a wife. body and mind are improved by the toil the neous plenty, and unbounded profusion. Th many cares; but a bachelor has no pleasure." fatigues them. The toil is a thousand time "A married man," said I'r. Johnson, "has Cutting himself off from a great blessing, for fear of some trifling annoyance, he has rivaled the wiseacre who secured himself against They flow only from the exertions which the corns, by amputating his leg. In his selfish anxiety to live unincumbered, he has only subjected himself to a heavier burthen; for BEAUTIFUL.—The Portuguese give the v the passions, who apportion to every individu- ry poetical name of anjinhos, [little angels. al, the load that he is to bear through life, to young children, when they die; and cons generally say to the calculating bachelor- dering that they are at once translated to "As you are a single man, you shall carry heaven, without the unpleasant passage thro'

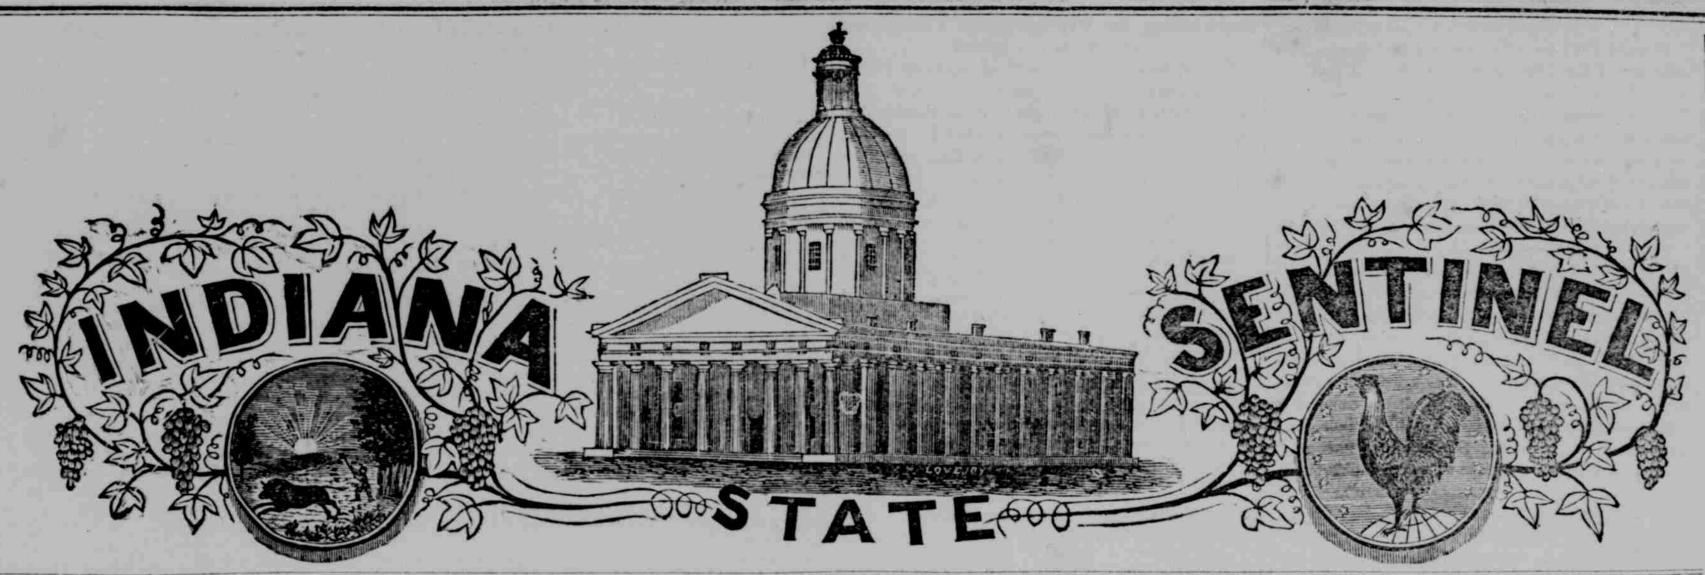

ledging the truth of the repartee uttered by thus, at their funeral no one appears in black, fered as low as can be bought either east or west, for cush, or in exchange for all kinds of produce. Call and see. Among those on hand a bachelor, who, when his friend reproached and their parents are congratulated, instead may be foundhim for his celibacy, adding that bachelorship of condoled with. How much more rational ought to be taxed by the Government, replied, are they who thus meet death with smiles. "There I agree with you, for it is quite a than those who look upon him as the King

P. E. TUTTLE, Cincinnati, Nov. 28-52-2m. G. P. TUTTLE. BAKER'S BROMA. DROMA is a new and valuable combination of the Cocca Nut, (without its oil,) with other ingredients, innecest, strengthening, and agreeable, both to invalids and to persons in health. It is particutarly recommended to the Sick, as a very delicate and palatable beve-

rage, when other nutriment is disagreeable or indigestible. As a diet for Children, it is most notritious. Directions for making accompany OPINIONS OF EMINENT PHYSICIANS OF BOSTON: We have tried the Broma, manufactured by Mr. W. Baker, of Dorchester, and find it a pleasant article of Food. From a knowledge of its ingredients we think it will be useful to invalide, and to persons recovering from disease; especially to such as distake the articles usually recommended. It also offers good nourishment for children. JOHN C. WARREN, M. D. WALTER CHANNING, M. D. GEORGE HAYWARD, M. D. Z. B. ADAMS, M. D.
